Schedule of Courses, Fall 2011 REGISTRATION: 617-552-8800 GRADES: 617-552-8801

Closed and Restricted Courses

Courses listed in this newspaper that are restricted by school, degree, or major are marked with an asterisk (*), and the specific restrictions are printed underneath. Students who want an override into a closed or restricted course should go to the department offering the course. The department will decline the request, add the course to your schedule, or give you an override to be processed in the Office of Student Services. You cannot process overrides through *U-Dial* or *U-View*.

The override form must be stamped in the appropriate section:

- "Open/Restricted" overrides school, major, degree, and department restrictions.
- "Override for a Closed Course" overrides all restrictions and size limits for closed courses.
- "Approval for Time Conflict" overrides a corequisite or allows you to be registered for two courses that conflict in time.

Course Schedule Information

You can search the listing of BC's course offerings as follows:

- By accessing the University's Information System (UIS).
- By accessing your Agora Portal account (portal.bc.edu) and choosing the "Course Information and Schedule" link under "My Services." Online syllabi, textbook information, and course evaluation surveys may be available.

You may also download a PDF version of the current *Schedule of Courses* from the Office of Student Services home page at www.bc.edu/studentservices.

Degree Audits—Undergraduates

A degree audit is a computer-generated analysis that enables an undergraduate (except for Woods College of Advancing Studies) or Law student and his or her advisor to assess the student's academic progress and unfulfilled requirements. Students in the Woods College of Advancing Studies can meet with an advisor and obtain a degree audit at any time.

The degree audit is a valuable tool for academic planning because it matches the courses that the student has taken with the requirements of his or her degree program or anticipated program. Students receive degree audits each semester prior to registration and have access to actual and simulated degree audits on their Agora Portal account at portal.bc.edu. Students are responsible for completing all the requirements listed on the degree audit prior to graduation.

Review your audit carefully in consultation with your advisor before you register. If a course on your degree audit is not being counted correctly because of a system error, contact your Academic Recorder (A&S and LSOE: Mary McCrosson, CSOM and CSON: Terry Rezzuti). If you want a course to count for a requirement that it does not usually fulfill, obtain a "Degree Audit Course Substitution and Waiver" form from the Office of Student Services, and take it to the department for approval. Return the form with the appropriate stamp to the Office of Student Services in Lyons Hall for processing.

Overloading

Students may register for five 3-credit courses and a maximum of 20 credits, including labs and other 1- or 2- credit courses, at registration. Students who have earned at least a 3.0 overall cumulative GPA or a 3.0 GPA in the semester immediately prior to the one for which the overload is sought may register online for a sixth course of three credits or more and a maximum of 24 credits, including labs and other 1- and 2-credit courses, during the first week of class each semester. Students must notify the Associate Dean by October 1 in the first semester and by February 15 in the second semester if they wish to drop the course.

Students whose averages are between 2.0 and 3.0 may, under exceptional circumstances, be allowed by an Associate Dean to enroll in a sixth course. Students are not permitted to take a sixth course of three credits or more in their first semester at Boston College.

Overload courses taken for acceleration will carry an extra tuition charge. This includes fifth courses of three credits taken during senior year.

Students in a Woods College of Advancing Studies degree program take a maximum course load of three courses per semester. Authorization for one additional course will be given only if a student has completed these courses in the previous semester, each with a grade of B- or better. One course may be taken during each Summer Session. Additional ones require authorization. Courses taken without reference to this regulation do not advance a student's degree program.

Withdrawing from a Course or from the University

Undergraduates may drop or add a course(s) online during the first seven days of the semester. Undergraduates only may drop a course, including a sixth course, until October I in the fall semester and February I5 in the spring semester in their Associate Dean's office. After the extended drop period, undergraduates who withdraw from a course will have a "W" recorded in the grade column of their academic record.

Graduate students who withdraw from a course after the drop/add period (first seven days of the semester) will have a "W" recorded in the grade column of their academic record.

To withdraw from a course, students must go to the Forms page on the Office of Student Services website (www.bc.edu/ssforms), print the withdrawal form, and then go to the Office of the Associate Dean for their school. Students will not be permitted to withdraw from courses after the published deadline. Students who are still registered at this point will receive a final grade for the semester.

The last date to withdraw from a fall course with a "W" or to withdraw from the University is November 28, 2011.

Woods College of Advancing Studies (WCAS)

WCAS designates a limited number of courses that are available to full-time undergraduate day students. All full-time undergraduate students are limited to one WCAS course each semester. Freshmen may not enroll in any WCAS courses.

WCAS courses can be used to fulfill elective requirements. Students must check with the appropriate department if they intend to use a WCAS course to fulfill a Core or major requirement. There are a limited number of seats in each course, and they are distributed on a first-come, first-served basis. Check with the WCAS office, McGuinn 100, on the first day of classes in September to see if additional seats are available.

General Information

Audits

Undergraduate

GRADES: 617-552-8801

Undergraduate students may not audit a course, with the exception of undergraduates in WCAS.

Graduate

Students in the Graduate School of Arts and Sciences, the School of Theology and Ministry, and the Connell School of Nursing may register for an audit online. Lynch School of Education, Carroll School of Management, Law School, and Graduate School of Social Work students must consult the Graduate Associate Dean's Office before they can audit a course. Woods College of Advancing Studies students may not audit courses.

After the drop/add period, graduate students who wish to change a course from credit to audit or audit to credit must go to their respective Graduate Associate Dean's Office and complete a Graduate Course Exception form. Students in the Carroll School of Management may change a course from credit to audit but not audit to credit.

After September 14, graduate students who wish to change a course from credit to audit or audit to credit must go to the Associate Dean's Office and complete a "Graduate Course Exception" form. Students in the Carroll Graduate School of Management may change a course from credit to audit but not audit to credit.

If you drop an audit before September 14, you will receive a 100% refund. You may not drop an audit after September 14. There is no cancellation of tuition for a course changed from credit to audit.

Credit Variation

If you need to change the number of credits for a course, pick up a "Graduate Credit Variation" form from the Office of Student Services. Have the form approved by the Associate Dean of your school and return it to Lyons Hall by September 14, 2011. After September 14, bring the form to the Office of Student Services and pay for the additional credits.

Cross Registration

Undergraduate and graduate students may be eligible to take courses in BC-affiliated consortia if the same courses are not offered at Boston College at any time during the academic year.

Boston Theological Institute

The Boston Theological Institute (BTI), a consortium of theology faculty primarily in the Boston-Newton-Cambridge area, has as its constituent members the following institutions:

- Andover Newton School of Theology
- Boston College's Department of Theology
- Boston College's School of Theology and Ministry
- Boston University School of Theology
- Episcopal Divinity School
- Gordon-Conwell Theological Seminary
- Harvard Divinity School
- Holy Cross Greek Orthodox Seminary
- St. John's Seminary

This consortium offers complete cross-registration in several hundred courses, the use of library facilities in the nine schools, joint seminars and programs, and faculty exchange programs.

Theology majors and students in the School of Theology and Ministry who want to cross register through the Boston Theological Institute should pick up a cross registration petition in Lyons Hall and return it with an authorization by the appropriate date. Students are expected to consult with their advisor or department chairperson before cross registering. Graduate Theology majors may take up to half of their courses through BTI.

The Consortium

Under a program of cross registration, sophomores, juniors, and seniors may take one elective course during each semester at Boston University, Brandeis University, Hebrew College, Hellenic College, Pine Manor College, Regis College, or Tufts University if a similar course is not available at Boston College. Cross registration forms are available in the Office of Student Services in Lyons Hall.

Graduate students, except law students, may cross register for one course each semester at Boston University, Brandeis, and Tufts. M.B.A. students are not permitted to register at Brandeis University and students in the Graduate Finance Program are not allowed to cross register at any of the universities. Cross registration materials are available in Lyons Hall.

Law school students may cross register for classes only at Boston University Law School and only if the course they wish to take at BU will not be offered at any time during the current academic year. Students wishing to cross register must see the Director of Academic Services for permission.

The Graduate Consortium in Women's Studies

Graduate students enrolled in degree programs during the academic year may apply to participate in the Graduate Consortium in Women Studies, an inter-institutional enterprise established to

advance the field of women's studies and enlarge the scope of graduate education through new models of team teaching and interdisciplinary study. Faculty and students are drawn from six member schools—Boston College, Brandeis, Harvard, Northeastern, MIT, and Tufts. Graduate students enrolled in degree programs at Boston College may, with the permission of their department, apply to participate in this program. Registration forms will be mailed from the Consortium to accepted students.

Dropping, Adding, or Changing a Major

A&S and CSOM students who want to add or drop a major should go to the department of the new major. Students in the College of Arts and Sciences who want to switch from a major to "undeclared" must go to the Academic Advising Center (Bourneuf House, 84 College Road).

Email

E-mail accounts are automatically created for all full-time undergraduate and all graduate students. The Office of Student Services sends all notifications to your BC email account. To view your email address, log on to your Agora Portal account. Go to "My Services" and select "Email Settings" to view your email address. To forward your BC account to another email account, click on "Configure Email Preferences."

University Communication Policies and Student Responsibilities

Official communications of the University with its currentlyenrolled students, including notices of academic and administrative matters and communications from faculty and administrative staff, may be sent via postal service, campus mail, or email. To assure that these communications arrive in a timely manner, all enrolled students have the following responsibilities:

Postal service and Campus mail: For purposes of written communication, the student's local and permanent addresses on record in the Office of Student Services will be regarded as the student's official local and permanent residences. All students have a responsibility to provide both local and permanent mailing addresses, and to enter corrections via the Agora Portal if the addresses are not accurate in university records.

Students should review their address record for accuracy at the beginning of each semester, and again soon after submitting any corrections. Students who are studying abroad have a responsibility to provide their local international address via a link on the Office of International Programs website.

Email: The University recognizes and uses electronic mail as an appropriate medium for official communication. The University provides all enrolled students with email accounts as well as access to email services from computer stations at various locations on campus. All students are expected to access their email accounts regularly, to check for official University communications and to respond as necessary to such communications.

Students may forward their email messages from their University email accounts to non-university email systems. In such cases, students shall be solely responsible for all consequences arising from such forwarding arrangements, including any failure by the non-university system to deliver or retain official University communications. Students should send test messages to and from their University email account on a regular basis, to confirm that their email service is functioning reliably.

All student responses to official email communications from the University must contain the student's University email address in the "From:" and "Reply To:" lines and should originate from the student's University email account, to assure that the response can be recognized as a message from a member of the University community.

Capstone Courses

No student may take more than one Capstone seminar during his/her undergraduate years. This is true whether the course is listed under UN numbers or as a course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation. Register for Courses Using UIS

To register for classes at Boston College, you need to access BC's University Information System (UIS).

Check if you already have the needed software application.

To access UIS, you need to use a software called "Telnet" or tn3270" that is configured to access BC UIS. You may already have the needed software on your computer. It is on all CTRC lab computers and Windows laptops purchased at all BC Bookstores. Here is how to check if you have it already installed:

Windows: Start > All Programs/Programs > BC UIS or UIS
Mac: Applications folder > BC UIS

If you don't have BC UIS, take a minute to download and install it.

If you don't have a way to connect to "BC UIS" on your computer, you will need to download and install it at the link below. The download and install should take about one minute. If you have questions about installing the software, please call the Help Center at 2-HELP.

Download UIS for Windows:

https://download.bc.edu/applications/telnet/Install_UIS.exe

Download UIS for Mac:

https://download.bc.edu/applications/telnet/BC_UIS_Installer.dmg

Once you have UIS installed on your computer, follow the instructions below.

- Enter your username and password.
- To register for courses, type in the number for Administrative Systems. Type in the number for U-View Your BC Records. Type in the number 2 for Student Information and then "R" to register.
- Enter the 4-digit index number at the left of the course (ex: 9749) or the 7-character course code (ex: RL21504). Press enter. If the course is available, you will be given the following options:
 - Done: To update your schedule and exit.
 - Save: To update your schedule and continue.
 - Back: To retrieve your schedule thus far.
- Choose one of these options and type it on the line underneath your last course. If you have not finished registering for courses, be sure to "Save" often, so you do not lose your seat in any of your course selections.
- To log off from the registration screen, type "Done" and then follow the
 instructions on each subsequent screen. Exit the registration transaction
 completely and then reenter to ensure that you have registered successfully
 for all your courses.

Search Features

Use the "Browse Courses" screen to search for all (a) or open (o) sections of a course or to search by course title. From the registration screen, type "?" over the course to find open or all sections of that course or type "?" on a blank line and then the department abbreviation (ex: BI for Biology). Check course status to determine if it is open or restricted.

If you want a particular section, enter the number on the upper left-hand side of the Browse Courses screen and then press enter. Type "R" to return to the registration screen without making a selection.

Problems/Error Messages

A listing of possible error messages is listed below:

- Corequisite: You need to add the course's corequisite to your schedule. The options for the corequisite are listed at the bottom left of the screen. Choose one and then type the index number on the next available line.
- **Course Closed:** There may be no seats left in the course, or the department may be holding seats or sections of courses, so they are unavailable during certain periods of registration.
- **Department Permission:** Some courses including all graduate courses may be available to undergraduates with department permission only.
- **Duplicate Course:** You may have listed two sections of the same course.
- Invalid Index: You have entered an incorrect index number. Search "Browse Courses" online or the printed Schedule of Courses for the correct number.
- **Restricted:** Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), by major (e.g., For Economics Majors Only), or by class year (e.g., For Freshmen Only).
- Time Conflict: You have listed two courses that are scheduled at the same time or overlap a period of time.

You will not be able to add a course or save your schedule unless you resolve the problem or remove the course from your schedule.

Register for Courses Using U-Dial

- Call the Boston College Voice Response Unit at 617-552-8800. If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your Eagle Number.
- Enter your 5-digit Personal Identification Number (PIN).
- Once you have accessed the voice response unit, you will hear a list of the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose one of the following transactions:

TO ADD A COURSE: If you wish to add a course, press I when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.

TO DROP A COURSE: If you wish to drop a course, press 2 when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.

TO ADD AND DROP A COURSE: If you wish to drop one course and then add one course, press 3 when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will not complete the drop unless you successfully add one course in its place; therefore, you shouldn't worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).

TO CHECK THE STATUS OF A COURSE: If you wish to check quickly to see if a particular course is open, press 4 when prompted to do so. Then follow the instructions to check the status of the course.

TO LIST COURSES: Press 5 to hear the courses you are currently registered for or to confirm your transaction(s).

TO END CALL: Press 9 to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. If you make a mistake at any time, press * to start over.

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

Problen	n/Message	Probable Solution
I.	Can't access system	Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning.
2.	System not available	You're calling outside the hours of 8:00 a.m. to 11:00 p.m. seven days a week. Please call during <i>U-Dial</i> hours. Another possibility is the system is experiencing unscheduled downtime. Please call back in 15 minutes.
3.	Busy signal	The system's incoming telephone lines are all in use. Try again later.
4.	System does not answer	The Voice Response Unit is not functioning. Try again later.
5.	Wrong ID	Check to make sure that you are inputting your Eagle ID number correctly.
6.	Wrong PIN	Check to make sure that you are inputting your PIN correctly.
7.	Wrong index numbers	Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the <i>Schedule of Courses</i> for index numbers.
8.	Time conflict message	Check the <i>Schedule of Courses</i> or the Course Status List available on <i>U-View</i> . If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date.
9.	The course you want is:	
	• a sixth course	Students in A&S, CSOM, and CSON who maintain a 3.00 GPA, may add a sixth course online (up to 20 credits) during the first week of classes.
	• restricted to a major or school	You must get the appropriate departmental approval to be allowed to override these restrictions.
	• closed or requires dept. approval	For these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the

If the above does not resolve your problem or if you have a difficult problem, call 617-552-3300, Monday, Tuesday, Thursday, and Friday 9:00 a.m. to 4:45 p.m. and Wednesday 9:00 a.m. to 3:45 p.m.

Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4:00 p.m. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30*). In situations where the non-standard time falls halfway between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10). The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 p.m. or later), the instructor teaching the course outside of the standard time blocks (8:00 a.m.-3:00 p.m.) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam. No exams should be scheduled during the Study Days designated on the academic calendar.

Weather-Related Exam Changes

If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: the Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day. If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (617-552-4636). For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 617-552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.

Financial Information

Billing Information—Fall Semester

Tuition and fees for undergraduates are due by August 10, 2011. Restrictions will be placed on any account not resolved by the due date. These restrictions include denied access to housing and the Athletic Complex, use of the ID card and Meal Plan, and the ability to drop and add courses. In addition, a \$150.00 late payment fee will be assessed on any account that is not resolved by the due date. In severe cases, students will be withdrawn from the University. Please note all billing statements are sent electronically to your Agora Portal account (portal.bc.edu). Visit www.bc.edu/mybill for more information.

Scholarship holders are not exempt from payment of registration, acceptance fees, insurance, and miscellaneous fees at the time prescribed.

Tuition and fees for the Graduate Schools of Management, Arts and Sciences, Education, Nursing, and Social Work are billed on July 15, 2011. Payment is due on September 15, 2011. All students should be registered for fall semester by August 15. The tuition for the Law School is due by August 10, 2011. There is a \$150.00 late payment fee for payments received after the due date. In severe cases, students whose accounts are not resolved by the due date may be withdrawn from the University.

Questions regarding billing and payment should be directed to the Office of Student Services, Lyons Hall, at 617-552-3300 or 800-294-0294.

E-Payment

The University offers web-based payments directly from your savings or checking account. You may make an e-payment through the MyBill option in your Agora Portal account (portal.bc.edu) or at https://agora.bc.edu/web.payment.

The University does not accept credit card payments for tuition, fees, or room and board, except for the students in the Woods College of Advancing Studies (WCAS).

Massachusetts Medical Insurance

In accordance with the Commonwealth of Massachusetts' law and the policies of Boston College, all students registered in a degree program will be charged directly by Boston College for medical insurance. Non-degree students who are registered at least 75% of the full-time credit load will also be charged directly by BC.

Students currently enrolled in a health plan that is comparable to the Boston College-sponsored plan may waive coverage as follows:

- If students are over the age of 18, they may access their Agora Portal account (portal.bc.edu). Select "My Services" and then "Medical Insurance" option. To provide proof of comparable coverage, they will need to have information about their current health insurance plan readily available.
- If the student is under the age of 18, the parent or guardian must sign and submit a written waiver which can be downloaded at www.bc.edu/ssforms. These students cannot file an electronic waiver.

International students who are not citizens or permanent residents of the United States will automatically be enrolled in the Boston College plan regardless of their credit hours. International students are not eligible to waive the student insurance plan unless they are enrolled in a plan underwritten by a U.S.-based insurance carrier. They also are not eligible to waive their insurance online. They will need to submit a written waiver form.

Waivers must be completed every year. Providing insurance information to other offices on campus (e.g., Athletics or Health Services) does not fulfill the waiver requirement.

If students do not complete a waiver (electronic or paper) prior to the deadline, they will automatically be enrolled in and charged for BC's Student Injury and Sickness Insurance Plan. The cost is \$2,108 for coverage from August 7, 2011, to August 6, 2012.

Waivers must be completed and submitted by September 16, 2011, for the fall semester. Waivers submitted between September 17, 2011, and January 27, 2012, will be valid for spring only. Incomplete waivers will not be processed.

Withdrawals and Refunds

Fees are not refundable.

Tuition is cancelled subject to the following conditions:

- Notice of withdrawal must be made in writing to the Dean of the student's school.
- The date of receipt of written notice of withdrawal by the Dean's Office determines the amount of tuition cancelled.
- The cancellation schedule as published in the University catalog will apply to students withdrawing voluntarily, as well as to students who are dismissed from the University for academic or disciplinary reasons.
